## DOWN & FEATHER PILLOW

This medium soft down & feather pillow consists of a combination from duck down and duck feathers. This offers a feather-light smoothness.

The filling is contained in individual compartments and the pillow has a 100% cotton ticking.

The pillow is suitable for all sleeping positions.

## MEMORY FOAM PILLOW

This 100% natural pillow has a medium strength and prevents neck, back and shoulder pain.

A memory foam pillow which contains of 1 part foam feels most of the time sturdy and rigid, but this pillow has natural latex flakes that makes the pillow mouldable and hypoallergenic.

This pillow has a 100% cotton ticking and it contains a special mix of seaweed and eucalyptus leaves.

## SOFT PILLOW

This extra thin and soft pillow is suitable for especially stomach sleepers, back sleepers and children. It provides a gentle and continuous support to the neck and the head.

The fibers make the pillow really resilient and give a soft feeling. The 100% cotton ticking is antibacterial and mold resistant. This makes the pillow anti-allergy and suitable for those who has an allergic to dust mites.

## ANTI-ALLERGY PILLOW

This medium strength pillow has an anti-allergy filling with fiber beads. These beads adjust to any position from your head and neck. This provides even and maximal support to your head and neck.

This pillow has a 100% cotton ticking and the *Tripleguard* treatment of the filling reduces bacteria and fungi for 99% within 24 hours. This makes the pillow also suitable for those who are allergic to dust mites.

The pillow is especially suitable for side sleepers. If you are a stomach or back sleeper, have a look at 'Soft Pillow'.
